

SAN MINIATO EXPERIENCE

C.E.T. Centro EquiEduca Toscana

Centro EquiEduca Toscana, via San Goro 11, 56028 La Serra – San Miniato

Horse Experience

The countryside around San Miniato is full of paths that can be traveled on horseback together with the equestrian guides of the EquiEduca Toscana centre.

An exciting experience in the saddle of these wonderful animals that you can get to know already from the stables with the preparation of the saddle and when you return to refresh yourself after exercise.

The horse experience is suitable for adults as well as for children. The excursion can be introduced with an instruction lesson in the enclosure.
