Frantoio Sanminiatense

Via Maremmana La Serra, Loc. La Serra, 8

Oil atelier tour

The guided tour will take you to discover the oil production laboratory and taste some local products. There are two types of tours:

- EVO experience

Visit the oil mill with an explanation of the stages of production and packaging of virgin olive oil up to its conservation.

- GOURMET experience

Visit the oil mill. Tasting of two types of extra virgin olive oils, 2 types of flavored oils, and a choice of home-produced extra virgin olive oil products (local olives and Tuscan artichokes). The tasting will be accompanied by wild boar sausage, a glass of local wine, crouton with sauce, or meat sauce.

At the end of the tour, oil tasting in the atelier where you can find different local products.
